DECISION

MDD/149465

PRELIMINARY RECITALS

Pursuant to a petition filed February 26, 2013, under Wis. Stat. § 49.45(5), and Wis. Admin. Code § HA 3.03(1), to review a decision by the Kenosha County Human Service Department in regard to Medical Assistance, a hearing was held on July 18, 2013, at Kenosha, Wisconsin.

The issue for determination is whether the agency properly determined that the Petitioner is not disabled.

There appeared at that time and place the following persons:

PARTIES IN INTEREST:

Petitioner:

Respondent:

Department of Health Services 1 West Wilson Street Madison, Wisconsin 53703 By: No Appearance

ADMINISTRATIVE LAW JUDGE:

Debra Bursinger Division of Hearings and Appeals

FINDINGS OF FACT

- 1. Petitioner is a resident of Kenosha County. He is 33 years old. He lives in a community based residential facility.
- 2. Petitioner has diagnoses that include congestive heart failure, sarcoidosis and diabetes. On December 12, 2012, the Petitioner had a pacemaker implanted.

- 3. On September 24, 2012, the Petitioner filed a disability application with the Social Security Administration (SSA). On February 14, 2013, SSA denied the Petitioner's application. On May 16, 2013, the Petitioner's reconsideration request was denied.
- 4. On November 2, 2012, the Petitioner filed a Medicaid Disability Application. On February 18, 2013, MA denied the application. On February 26, 2013, a request for reconsideration was filed. On May 16, 2013, the request for reconsideration was denied.

DISCUSSION

It is a well-established principle that a moving party generally has the burden of proof, especially in administrative proceedings. State v. Hanson, 295 N.W.2d 209, 98 Wis. 2d 80 (Wis. App. 1980). In a case involving an application for medical assistance, the applicant has the initial burden to establish he or she met the application requirements.

A person between ages 18 and 65, with no minor children, must be blind or disabled to be eligible for MA. A finding of disability must be in accordance with Federal Social Security/SSI standards. See Wis. Stats. §49.47(4)(a)4. Because the standards are the same, a finding of no disability for Social Security/SSI purposes made within 12 months of the Medicaid application is binding on a State Medicaid agency. Exceptions may occur only if certain conditions exist. Specifically, the Division of Hearings and Appeals has no authority to find a Petitioner disabled unless he or she:

- (i) Allege[s] a disabling condition different from, or in addition to, that considered by SSA in making its determination; or
- (ii) [The MA application is more than 12 months after the most recent SSA determination]; or
- (iii) Alleges less than twelve months after the most recent SSA determination denying disability that his or her condition has changed or deteriorated since that SSA determination, alleges a new period of disability which meets the original durational requirements of the Act, and
- (A) Has applied to SSA for reconsideration or reopening of its disability decision and SSA refused to consider the new allegations.

Petitioner's application for Social Security Disability benefits was denied on February 14, 2013. This was affirmed on May 16, 2013. Petitioner filed this application for MA Disability on November 2, 2012.

Because the SSA decision was within 12 months of the Medicaid application, the SSA finding of no disability is binding on the state agency. Therefore I must conclude that the agency properly denied the Petitioner's application.

CONCLUSIONS OF LAW

The agency properly determined the Petitioner is not disabled.

THEREFORE, it is

ORDERED

That the petition be, and hereby is, dismissed.
